## SAN PABLO EDC BOARD REPORT

DATE: September 17, 2025

TO: San Pablo EDC Board

FROM: Leslay Choy, Executive Director

**Bradley Ward, Controller** 

SUBJECT: SAN PABLO ECONOMIC DEVELOPMENT CORPORATION FISCAL YEAR 2025-26 FINANCIAL

**STATEMENTS THROUGH JUNE 2025** 

#### **RECOMMENDED ACTION**

The Executive Director recommends the Board of Directors:

1. Receive and file report.

#### **BACKGROUND**

As part of its ongoing fiduciary oversight, the San Pablo Economic Development Corporation (San Pablo EDC) Board of Directors (Board) reviews the organization's financial reports. Typically, these reports are received and reviewed in advance by Board Treasurer and Finance Committee member, Kanwar Singh. As he is currently traveling, they were shared with Chair Calloway who is also a Finance Committee member. Financials compare year-to-date expenses to annual budget in a format recommended by Treasurer Singh.

#### **ANALYSIS OF FINANCIAL REPORTS**

Attached is a set of financial reports through July 2025, the organization's fiscal year end (FYE). The lead item is the balance sheet, which shows the organization's financial position as of July 30, 2025. The July balance sheet reflects assets of \$5,658,964, liabilities of \$2,164,937 and equity of \$3,494,027. For any professional agreement where San Pablo EDC receives the lump sum up front, Account 25800 is used for the unearned portion of the agreement, and changes the month-over-month liabilities, reducing as the year advances; COSP120 YSCP is a good example.

The second section of the report is the year-to-date profit and loss (P&L) statement through July 31, 2025 with comparison to budget. The P&L statements are presented as a summary of the Total Budget for Operations, Measure S and Total Grants. The first column represents year-to-date (YTD) revenue and expenses by budget item; second column represents total budget; third column represents year-to-date variance to budget. EDC recognizes income on an accrual basis.

The first part of the Total P&L statement is revenue (income). Total income through July is \$431,629 representing 25% of budgeted income with 8.3% of the fiscal year complete. Of note, Suite B at Mission Plaza has been leased by a retail cannabis tenant who successfully finished in the Top 3 applicants for an operator's permit and conditional use permit (CUP). Once these are issued, six months of free rent begins. The suite is not anticipated to start earning income until 2026 and timing is entirely in the City and the tenant's hands, which may create a larger-than-anticipated 47200 deficit. It is an excellent tenant and use for the plaza and offered the best terms of all submitted proposals with the fastest cost recovery time; however, the City's process is new and multi-phased, which may further push back when rent begins.

The second part of the P&L, which includes other expenses less depreciation, represents expenses, the bulk of which are 62100 Contract Services, 65000 Operations and 66000 Payroll. YTD expenses were \$102,832 or 5.8% of the annual budget.

Monthly non-cash depreciation of \$3,739 (year-to-date \$37,393) for the EDC's commercial building asset, Mission Plaza, is accounted for as "other expense" in account 70100, as it does not affect operations. By classifying it this way, the EDC separates operations and cash usage from non-cash activity. This is referred to as EBITDA or earnings before interest, taxes, depreciation and amortization.

### SAN PABLO EDC BOARD REPORT

DATE: September 17, 2025

TO: San Pablo EDC Board

FROM: Leslay Choy, Executive Director

**Back to Agenda** 

SUBJECT: RESOLUTION OF THE SAN PABLO ECONOMIC DEVELOPMENT CORPORATION BOARD OF

DIRECTORS AUTHORIZING CONTINUED SUPPORT OF THE SAN PABLO FORWARD SCHOLARSHIP AT THE CONTRA COSTA COLLEGE FOUNDATION AND RATIFY FISCAL YEAR

2025-26 BUDGET EXPENSE OF \$5,000

#### **RECOMMENDED ACTION**

The Executive Director recommends the Board of Directors:

1. Approve resolution

#### **BACKGROUND**

Goal 3. Serve as the economic development partner with an equity perspective to the City of San Pablo and regional partner agencies to develop initiatives that expand economic opportunity.

The San Pablo Economic Development Corporation (San Pablo EDC) Board of Directors (Board) understands the longstanding, multi-faceted relationship between San Pablo EDC and the Contra Costa Community College District (4CD) and Contra Costa College ("CCC" or "College"). Together, our organizations address equitable responses to youth investment, adult education relevant to career advancement, and the diverse pathway that serves those seeking to meaningfully engage in the economy through progressive-wage careers. Further, San Pablo EDC partners with the College to provide childcare and other wrap-around services to improve student stability, and therefore success rates.

A decade ago, San Pablo EDC and the City of San Pablo (City) began working with the Contra Costa College Foundation (CCCF) to establish a San Pablo Forward scholarship. This scholarship varies in amount according to the funding available and number of successful applicants. It tends to range from \$500 to \$1,000. This year, the proposal is for 10 \$1,000 scholarships for graduates who live within the jurisdictional boundaries of the City of San Pablo, have at least a 2.5 GPA, and either have completed their two-year degree and are transferring to a four-year school, or are close to completing their associate's degree and need funding for additional semesters.

Every year, following awards, the College Foundation shares a thank-you card with San Pablo EDC, so that the Board may hear first-hand how the scholarships help our residents.

San Pablo residents are supported in their studies at CCC. They are co-enrolled in EDC grants, WIOA and the California College Promise Grant and the California Promise programs. They may also be awardees of the San Pablo Scholarship Program administered by San Pablo EDC, as the majority of scholars elect to go to CCC. As scholars meet engagement milestones, they receive a range of supports based on equity considerations. The San Pablo Forward Scholarship helps continue those supports, lifting the level of educational attainment in San Pablo, which has historically been one of the lowest in the county.

On June 25, 2025, the Board passed the Fiscal Year 2025-26 budget in which \$5,000 was provided for the purpose of funding program year 2025-26 San Pablo Forward Scholarships. The City Council is anticipated to discuss \$5,000 in funding at the October 2025 meeting. So, pending board and council

action, there would be \$10,000 available for San Pablo Forward scholars.

The Board is asked to authorize continued support of the San Pablo Forward Scholarship at the Contra Costa College Foundation and ratify fiscal year 2025-26 budget expense of \$5,000.

#### **FISCAL IMPACT**

Fiscal impact would be \$5,000 to 60310 Charitable Sponsorships class Measure S.

## SAN PABLO EDC BOARD REPORT

ve Director

SUBJECT: RESOLUTION OF THE SAN PABLO ECONOMIC DEVELOPMENT CORPORATION BOARD OF

DIRECTORS AUTHORIZING EXECUTION OF FISCAL YEAR 2025-26 MEMORANDUM OF UNDERSTANDING WITH CONTRA COSTA TRUCKING DRIVING SCHOOL LLC FOR

**COMMERCIAL DRIVER'S LICENSE TRAINING SERVICES** 

#### **RECOMMENDED ACTION**

The Executive Director recommends the Board of Directors:

1. Approve resolution

#### **BACKGROUND**

Strategy 2: Innovate, provide and coordinate efforts to enhance workforce development impact in family-sustaining jobs and progressive-wage careers

Before the San Pablo Economic Development Corporation (San Pablo EDC) Board of Directors (Board) is a fiscal year 2025-26 memorandum of understanding (MOU) with Contra Costa Trucking Driving School LLC in Richmond for to provide commercial driver's license training to San Pablo residents and Workforce Innovation and Opportunity Act (WIOA) participants.

In September 2024, the Board approved an MOU with CDL Instructor Trucking LLC (CDL) in Hayward, which added bilingual Spanish/English Class A training. Training completion and Class A license achievement rate are 100%.

This MOU is structured similarly to the ones with Michael's Transportation Services Truck Driving Academy (MTS) in Vallejo and CDL. One of staff's challenges has been to accommodate Spanish-speaking participants at MTS or any other qualified training provider. CDL has helped San Pablo EDC eliminate this barrier to equitable economic opportunity for aspiring Class A drivers. Now, Contra Costa Truck Driving School provides the option of doing that in Richmond, which is ideal for our San Pablo residents. Contra Costa Truck Driving provides both Class A and Class B commercial driver's license training.

#### **ANALYSIS**

Over the past couple of years, San Pablo EDC and its Contra Costa Workforce Collaborative (CCWC) partners have been frustrated but the increasingly limited Class A and B training providers Eligible Training Panel List (ETPL), none of whom provide instruction in Spanish in Contra Costa County.

The owner of Contra Costa Truck Driving School LLC has worked with CDL for several years to assist with all aspects of training commercial drivers. Class A and B licenses remain in high demand and offer an opportunity to exit unbenefited, low paying jobs and start a progressive-wage, fully benefitted career with choice of schedule. EDC workforce staff have a productive and responsive relationship with Contra Costa Truck Driving School and would like to have the option of referring West County residents, especially those who are English Language Learners, to this training provider.

The Workforce Development Board of Contra Costa has indicated they will work with San Pablo EDC and

the trainer to get Contra Costa Truck Driving School on the ETPL.

Total possible Measure S reimbursement to the training partner is up to \$5,000 per resident. The balance of the enrollment and related fees will either be subsumed by WIOA, another grant or the enrollee's own funding. Payment milestones are as follows:

- 50% after first two weeks of attendance
- 40% after passing the California DMV Class-A behind-the-wheel examination and attending an interview with a SPEDC staff member to be coordinated with Partner
- 10% upon placement in employment in industry; placement in an unrelated industry will render this payment void.

All Measure S job training MOUs are funded under expense account 62160 Job Training class Measure S. There are no guarantees of funded slots, as client demand is addressed on a first-come, first-serve basis. The MOU specifies that funding for each resident may only be approved by San Pablo EDC staff, ensuring a well-managed Measure S budget that allows staff to leverage WIOA and other grant funds.

The Board is asked to authorize execution of the fiscal year 2025-26 memorandum of understanding with Contra Costa Trucking Driving School LLC for Commercial Driver's License Training Services.

#### **FISCAL IMPACT**

Fiscal impact from the FY25-26 Measure S budget expense account 62160 Job Training & Employment Support Services will depend on the number of residents enrolled.

SPEDC is engaged in economic and workforce development by delivering programs, providing access to training, engaging in public-private partnerships, and linking community resources.

Partner is engaged in services and activities as specified in Exhibit A.

SPEDC and Partner are entering into a Memorandum of Understanding ("MOU") for the purpose of providing the Program as defined in Exhibit A. Both parties have complementary missions and share a desire to cooperate to the ends described herein. To that extent, the parties intend this MOU to create a relationship for their mutual benefit.

Accordingly, the parties hereby agree as follows:

#### 1. General Provisions.

- **1.1. Program Operation.** Each party shall perform the Program responsibilities set forth for that party in Exhibit A.
- **1.2. Participant Eligibility.** Each party shall provide Program services only to individuals meeting the participant eligibility requirements set forth in Exhibit A.
- **1.3. Location.** It shall be understood that the mailing address is used for this MOU while the training site is 2100 Stenmark Drive, Richmond, CA 94801.

#### 2. Communication.

- 2.1. Progress Reports and Data. Partner shall provide progress reports to the SPEDC on Program operation under this MOU upon request, including information regarding total participants, training completion rates, licensing success rate, and job placement; identification of challenges; information regarding any program participants' withdrawal or expulsion from the Program; and any other information required to be reported as described in Exhibit A.
- **2.2. Referrals.** SPEDC shall refer qualified participants whose documents are complete to Partner. From time to time, Partner may refer potential participants to SPEDC. In no event are participants referred to SPEDC to begin training until approved in writing by SPEDC to Partner with confirmation of start date. Enrollment of

participants under this MOU by Partner without SPEDC authorization will not be compensated by SPEDC. A participant may not begin training until there is an approved SPEDC date, as it invalidates all funding that SPEDC uses.

**2.3. Program Performance Reports.** If requested, Partner shall provide the SPEDC an annual Program performance report, containing the information required in the section 2.1 above, compiled for by fiscal year (July 1 through June 30). Partner shall utilize the template provided by SPEDC for the annual progress report.

#### 3. Finances.

- **3.1. Invoices.** Partner shall invoice the SPEDC according to the schedule specified in Exhibit A.
- **3.2. Satisfaction of Invoices.** The SPEDC shall pay Partner's invoices within thirty business days of receipt, and shall notify Partner if there are questions or concerns regarding submitted invoices.

#### 4. Miscellaneous

- **4.1. Confidentiality.** Each party shall maintain the confidentiality of information gathered and all records generated during the period of this MOU, to the extent allowed by law. Provision of financial and organizational operations records to a party's accountants, attorneys, auditors, board members, and other professionals or affiliated individuals is not a violation of this section. This provision does not prohibit staff from reporting suspected neglect or abuse of participants to child abuse reporting agencies as required by law.
- 4.2. Insurance. On or before commencement of operation of the Program pursuant to this MOU, Partner, at its own expense, shall carry, maintain for the duration of the MOU, and provide proof thereof that is acceptable to the SPEDC, the insurance described in Exhibit B with insurers and under forms of insurance satisfactory in all respects to the SPEDC. Partner shall maintain limits no less than as set forth in Exhibit B. If Partner maintains higher limits than those set forth in Exhibit B, the SPEDC shall be entitled to coverage for the higher limits maintained by Partner. Partner shall not allow any subcontractor to commence work on any subcontract in operation of the Program until all insurance required of Partner has also been obtained for the subcontractor. Partner shall require and verify that any subcontractors maintain insurance as required of Partner.

#### 4.3. Indemnity

**4.3.1. Indemnification of SPEDC.** To the fullest extent permitted by law, Partner shall immediately defend, indemnify, and hold harmless the SPEDC and its directors, officers, administrators, employees, volunteers, and agents from and against all liabilities regardless of nature or type, direct or indirect, in whole or in part, arising out of or resulting from Partner's performance of

services under this MOU, or in connection with any negligent or wrongful act or omission of Partner or its departments, programs, divisions, officers, employees, agents, or subcontractors, in the performance of this MOU. Liabilities subject to the duties to defend, indemnify, and hold harmless include, without limitation, such liabilities for: damage to property; injury or death of any person; and all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. Partner's obligation to indemnify applies unless it is adjudicated that its liability was caused by the sole active negligence or sole willful misconduct of an indemnified party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an indemnified party, Partner's indemnification obligation shall be reduced in proportion to the established comparative liability of the indemnified party.

In its sole discretion and at its own cost and expense, the SPEDC may participate in the defense of any such claim, action, or proceeding, utilizing legal counsel of its choice; however, such participation shall not relieve Partner of any obligation imposed pursuant to this MOU. The SPEDC shall promptly notify Partner of any such claim, action, or proceeding and shall cooperate fully in the defense of same.

The review, acceptance or approval of the Partner's work or work product by any indemnified party shall not affect, relieve or reduce the Partner's indemnification or defense obligations. This Section survives completion of the services or the termination of this contract. The provisions of this Section are not limited by and do not affect the provisions of this contract relating to insurance.

The duty of Partner to indemnify and hold harmless includes the duty to defend as set forth in section 2778 of the California Civil Code. Acceptance of insurance certificates and endorsements required under this MOU does not relieve Partner from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages. The parties further agree that the provisions of this section shall survive any termination or expiration of this MOU.

**4.3.2. Indemnification of Partner.** To the fullest extent permitted by law, the SPEDC shall immediately defend, indemnify, and hold harmless Partner and its directors, officers, administrators, employees, volunteers, and agents against and from any liability, including for damage to property and injury or death of any person, and any claim, action, or proceeding against Partner, arising solely out of or in connection with the acts or omissions of

the SPEDC in the performance of this MOU. In its sole discretion and at its sole cost and expense, Partner may participate in the defense of any such claim, action, or proceeding, utilizing legal counsel of its choice; however, such participation shall not relieve the SPEDC of any obligation imposed pursuant to this MOU. Partner shall promptly notify the SPEDC of any such claim, action, or proceeding and shall cooperate fully in the defense of same.

- **4.4. Effective Date & Term.** This MOU shall be effective September 15, 2025 upon execution and delivery by both parties governing Program operations specified in Exhibit A through June 30, 2026 contingent upon the SPEDC Board's approval of the fiscal year 2025-26 budget, with possible renewal in subsequent fiscal years.
- **4.5. Amendment.** Amendments to this MOU are effective only if agreed upon by both parties, as indicated through execution and delivery documenting the amendment.
- **4.6. Termination.** Either party may terminate this MOU with or without cause by providing the other party with sixty days' written notice.
- **4.7. Third Party Beneficiaries.** There are no third-party beneficiaries to this MOU.
- **4.8. Notices.** Any notices required to be made or given pursuant to this MOU, shall be effective if made in writing and sent by registered or certified mail, return receipt requested to:

Partner's insurer may provide complete copies of all required insurance policies, including endorsements effecting the coverage required by the specifications. The endorsements are to be signed by a person authorized by that Insurer to bind coverage on its behalf. All endorsements are to be received and approved by SPEDC before work commences. However, failure to do so shall not operate as a waiver of these insurance requirements.
